

79th Annual Exhibit & Sale on the Guilford Green July 17–19, 2026

For many decades the Guilford Art League (GAL) has held an annual exhibit and sale of members' work on the Guilford Green concurrently with the Guilford Art Center's Craft Expo. This three-day event is open to all GAL members whose 2026 dues are paid. We invite any member who is interested in selling their work to set up a table or tent and to meet some of the thousands of visitors who come to see our show as well as the GAC's Craft Expo. Ten-by-ten-foot spaces are available. **If you would like to participate, please read the information and instructions carefully and send the application form directly to our exhibit coordinator Jodi Marra by June 10 (address below).**

- Unload and set up tents and display racks on Thursday, July 16, on Park Street across from the library. Four parking places will be reserved for us on Park St. 5–7 pm, but DO NOT use the handicapped space at the corner. YOU CANNOT DRIVE YOUR VEHICLE ONTO THE GREEN.

- On Friday morning unload your artwork in the same manner closest to your position on the Green.
- You can store your artwork in the big tent on Friday and Saturday nights for safekeeping. A security guard is provided by GAL 8 pm–8 am.
- If you have someone helping you load or unload, you must have a way to contact them in case there is a change in plans.
- NO retail-type signs indicating “reduced prices.” NO pets may accompany the artists. NO rugs or mats may be used in the tent or exhibit space.
